**MEMORANDUM FOR: Director of Personnel**

**SUBJECT : Monthly Report "Separation of Staff Employees  
and Staff Agents"**

1. As you may be aware, the Executive Director-Comptroller reads this report each month with considerable interest.

2. To assist him in analysing the material, however, he would appreciate your appending to future reports comments about any trend in separations, whether one component is losing more than its share of employees, whether we are losing certain kinds of critical skills and to whom, etc.

3. I think that you will agree that pertinent comments along these lines might make the report a more useful management tool. If circumstances permit, I would like to initiate these comments with your report for October 1966.
